

Lawmato Academy

Law for Business Program (Summer 2022)

Lawmato is a Dallas based legal technology company, with its main product being the Lawmato app. Lawmato app is a marketplace platform enabling small businesses and individual consumers to have a virtual law firm at their fingertip. Lawyers on board Lawmato benefit from servicing paying clients through Lawmato's built-in audio and video communication technologies and secure payment system, while small businesses and individual consumers gain easy access to specialists with transparent pricing and convenient payment system. For more information about Lawmato, please visit www.lawmato.com. In addition to the legal service app, Lawmato also provides legal knowledge education through Lawmato Academy leveraging its vast network of experienced attorneys. One of its educational programs is the Law for Business Program, and it includes the following classes.

Class 1 (May 17th) – Overview of Law and Society – origin and evolution of current legal system

Class 2 (May 24th) – Entity Choice and Governance – typical initial errors that may result in irreparable harm

Class 3 (May 31st) – Basic Financial Accounting and Tax – debit, credit, financial statements, and tax savings

Class 4 (June 7th) – Anatomy of Business Contracts – analysis of common mistakes in drafting contracts

Class 5 (June 14th) – How to Avoid and Handle Lawsuits – improve legal sense to save legal cost

Class 6 (June 21st) – Employment Law and HR Issues – offer, termination, and everything in between; Retain and Protect Employees – benefits plan, stock options, insurance, and employer obligations

Class 7 (June 28th) – White Collar Crime – what is white collar crime and how can it impact your business

Class 8 (July 5th) – Data Security and Intellectual Property Rights – Protect your rights and avoid breach or infringing

Class 9 (July 12th) – Financing Related Legal Issues – borrow debt, issue equity, collateral and guarantee issues

Class 10 (July 19th) – Business Expansion Options – merger, acquisition, PE investment, Sale and IPO

Class 11 (TBD) – Final Presentation – students present in groups, each group has a different topic

Class 12 (TBD) – Graduation Ceremony

Lawmato Academy

Law for Business Program (Spring 2022)

Lawmato is a Dallas based legal technology company, with its main product being the Lawmato app. Lawmato app is a marketplace platform enabling small businesses and individual consumers to have a virtual law firm at their fingertip. Lawyers on board Lawmato benefit from servicing paying clients through Lawmato's built-in audio and video communication technologies and secure payment system, while small businesses and individual consumers gain easy access to specialists with transparent pricing and convenient payment system. For more information about Lawmato, please visit www.lawmato.com. In addition to the legal service app, Lawmato also provides legal knowledge education through Lawmato Academy leveraging its vast network of experienced attorneys. One of its educational programs is the Law for Business Program, and it includes the following classes.

- Class 1 (Feb 9) – Overview of Law and Society – origin and evolution of current legal system
- Class 2 (Feb 16) – Entity Choice and Governance – typical initial errors that may result in irreparable harm
- Class 3 (Feb 23) – Basic Financial Accounting and Tax – debit, credit, financial statements, and tax savings
- Class 4 – Anatomy of Business Contracts – analysis of common mistakes in drafting contracts
- Class 5 (March 9) – How to Avoid and Handle Lawsuits – improve legal sense to save legal cost
- Class 6 (March 16) – Employment Law and HR Issues – offer, termination, and everything in between
- Class 7 (April 7) – Retain and Protect Employees – benefits plan, stock options, insurance, and employer obligations
- Class 8 (March 23) – Data Privacy & Security and Intellectual Property Rights – Protect your rights and avoid breach or infringing
- Class 9 (April 6) – Financing Related Legal Issues – borrow debt, issue equity, collateral and guarantee issues
- Class 10 (April 13) – Business Expansion Options – merger, acquisition, PE investment, Sale and IPO
- Class 11 (April 22) – Final Presentation – students present in groups, each group has a different topic
- Class 12 (April 23) – Graduation Ceremony

Each class is held during the 7pm-10pm period every Wednesday starting Feb. 9, 2022 to end on April 27, 2022. We strive to keep the set schedule, however, we may have to make adjustments subject to any last minute change of the instructor's schedule. Instructors are experienced

attorneys for each relevant topic, and they will conduct instructions in English and through Zoom.
